Corporate Headquarters

Dear Dave:

I just wanted to thank you and everyone at A's Asphalt for a job well done. Your people can put down a lot of asphalt in little time with a quality job.

Thanks also for providing me with a curbing contractor. They also can do a lot of curbs in little time.

Everyone including John and Marty of Midway Products are happy also.

If we have any additional work in your area, I'll certainly call you.

Thanks again.

Sincerely,

Bob Steele
Construction Manager
